Dr. Stanley Bergen, M.D., President
University of Medicine and Dentistry of New Jersey
Administrative Complex
30 Bergen Street
Newark, New Jersey 07107-3807

Dear Dr. Bergen:

I wish to nominate Dr. Eric Muñoz as candidate to the position of Medical Director of the University Hospital in Newark, New Jersey. Dr. Muñoz' background and professional expertise make him an excellent candidate. Dr. Muñoz is currently serving as Head of the Research Division, Department of Surgery, at Long Island Jewish Medical Center. In addition, he serves as Commissioner of the Prospective Payment Assessment Commission, attending surgeon at Long Island Jewish-Millside Medical Center, and Chairman, Board of Directors of the Association of Puerto Ricans in Science and Engineering.

Dr. Muñoz currently serves on the ASPIRA National Health Careers Advisory Council, which advises the ASPIRA Association on the growth and development of this important initiative for Hispanics. I have found Dr. Muñoz to be a well versed individual whose academic interests and capabilities have led him to numerous contributions in the area of medical education. Dr. Muñoz has provided technical assistance to numerous educational institutions and organizations, some of which include the City University of New York, School of Medicine; the American Association for the Advancement of Science; the National Institute of Health; the Metropolitan Hospital Center; and New York City Health and Hospitals Corporation.

If selected, Dr. Mufos will bring to the UMMC
University Hospital an outstanding professional reputation as
well as strong leadership qualities. I strongly support his
candidacy because I believe Dr. Mufos is superbly qualified.

Sincerely,

Juan Saez, M.D.,
National Executive
Director
